

LAGOS STATE FIRE SAFETY CONFERENCE 2017

Welcome

The Lagos State Fire Safety conference is aimed at fire safety for professionals and business leaders in every business sector nationwide

If you're a business leader, attending the conference will help you integrate Fire Safety into the fabric of your organisation. And by securing the buy-in of strategic decision-makers in your business and across your supply chain, you'll reap a broad range of financial and other benefits, such as enhancing your organisation's reputation and strengthening its long-term resilience, preventing it from fire disasters.

Regardless of which sector you work in, the size of your organisation or where you are in your career, the conference will give you and your organisation access to the most up-to-date information on fire safety and its statutory requirements by the Lagos State Safety Commission.
